

THE PROTOTYPE

Poppy Playtime — Chapter 5

Character: The Prototype (Experiment 1006)

Role: The major antagonist behind the events of Playtime Co.

Appearance: A huge skeletal/mechanical body assembled from metal limbs, organic material, and parts associated with other experiments. Chapter 5 reveals much more of his full form.

Note: The image on this page is a 3D render/model found on Open3DLab; it is not being presented as an official Mob Entertainment render.
